representation that all of the information cited is necessarily effective as prior art against the application.

Because the prior art references discussed in the enclosed Notice of Rejection were submitted to the U.S. Patent Office in the Information Disclosure Statement filed on April 13, 1998, no fee is necessary for the filing of this statement. Should the Commissioner determine otherwise, the Commissioner is authorized to charge Deposit Account No. 50-1353 for any fee shortages, including the petition fee under 37 C.F.R. § 1.17(p).

Applicants respectfully request that the disclosed Notice of Rejection and the English language translation be made of record in the subject application.
